

Adventure Gamers

Information Technology

What I should already know:

- How to use Microsoft PowerPoint to make a presentation
- How to record audio

Online Safety

- I will keep my personal information safe online by never sharing my name, address or school.
- I will keep my passwords private and only share these with trusted adults at home and school.
- I will never share photographs of myself with strangers.
- I will ask permission before downloading anything online.
- I will tell a trusted adult if you receive a mean or strange message from anyone.

Vocabulary

Creative Commons	A license to use images or text from the web without getting permission
Hyperlink	Text or images, when clicked, open another page
MP3	A way of storing audio
Safe Search	Automatic filtering of search results to remove inappropriate content

Essential Knowledge
