

We Are Photographers

Year 2—Summer Term

Information Technology

What I should already know:

- How to make simple animations using photographs.

Online Safety

- I have a safe adult I can talk to if I am worried.
- I ask a trusted adult before using my name online.
- I will not tell anyone my password.

Vocabulary

| | |
|-------------|---|
| Adjustment | Change the colour on an image; how bright or dark the colour will be. |
| Camera roll | Where all the photos are stored on an iPad |
| Crop | To change the size of an image by cutting out parts of it. |
| Filter | Change the way the image looks by adding tones and shades to the colour |
| Pixel | One of the small, square dots that makes up a digital image. |

Essential Knowledge

- I will know how to apply adjustments and effects to photos
- I will know how to give feedback to my own and others' photos
- I will know how to reject photos I don't like by deleting them from my camera roll

Essential Skills

- I will be able to take photos using an iPad
- I will be able to press the correct button to add adjustments to my photo
- I will be able to use the crop function on my photo
