

Year 1 - History - Spring Term

Concept :
Significance

James Brindley and the canals

What I already know:

- I can explore artefacts (toys) and say if they are old.
- I can tell you about events that I remember.
- I can ask question about the past.
- I can put events in time order.

Key Knowledge

1716—James Brindley was born

1759—Over 250 years ago - The Wedgwood Factory was created

1766- James Brindley was asked to create the Trent and Mersey Canal—Cauldron Canal.

Over 200 years ago people lived on canal boats.
