

Year 2 - Religious Education – Autumn Term

Religion - Christianity

Why do people have faith?

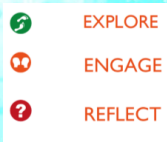

Significant people and places

Essential knowledge.

Identify the importance for some people of belonging to a religion and recognise the difference this makes to their lives. 1.2c

-Explore as appropriate the special nature of artefacts used in worship. 1.3a

- Know people belong to different groups, culture, faith, school and families.
- Know how dedicated Christians are to their religion and how it makes them feel.
- Know how Christians worship God to become closer to God.
- Know how the different artefacts are used for worship and what each one symbolises.

Review

Christians believe in Easter and the different symbols that represent Easter. Y1

Christians believe Jesus was resurrected and given a new life. Y1

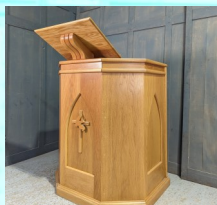

After baptism a baby becomes a Christian.

Key Vocabulary

belief	An acceptance that something exists or is true, especially one without proof.
worship	Giving someone the honour they are worth
symbolism	The idea that things represent other things.
rosary beads	Rosary beads provide a physical method of keeping count of the number of Hail Marys
altar	The altar is the table at the front of the church where the vicar stands and has objects like the bible and candles.
pulpit	This is a high platform where the vicar stands and speaks to the people in church.

pulpit

altar

Think like a theologian.

Explore

Explore artefacts and explore church interiors to understand how they are linked to worship.

Engage

Engage in talks about belonging to a faith and how and when people worship. Ask questions such as do you have to go to church to worship?
