EYF'S NEWSLETTER

We've had a fantastic week at school! The children have begun their work in their books and have truly impressed us with their hard work, presentation, and pride in their learning.

This week, we have started to introduce our foundation subjects, with subject leaders presenting assemblies at the beginning of each week. As we are launching our history block, I'd like to extend a special thanks to Mrs. Hemmings, our History Lead, for delivering a wonderful assembly on our history curriculum. We even got to enjoy a short trailer showcasing what each year group will be covering!

It was also lovely to welcome our Hempstalls families into school on Wednesday evening for the "Meet the New Class Teacher" sessions. We hope you found them useful and that they provided insight into the exciting year ahead. We have many opportunities planned for you to join us in school to observe learning and celebrate our fantastic Champion achievements.

Wishing you all a lovely weekend.
