

# Forest School

## Year 1/2

### Spring

Shelter building

#### What I already know

**I understand what a shelter is and I have experienced using a range of materials to make a mini-den for small animals.**

**I have experienced tying simple knots.**

Vocabulary	
<b>Ridge pole</b>	This is the large pole that goes across the top of a shelter
<b>Tarpaulin</b>	A large piece of waterproof cloth used for covering.
<b>Tripod structure</b>	A three legged stand which is used to support an object.
<b>Sturdy</b>	Strong and solidly built.

#### Connecting Concepts

**A shelter gives us warmth and protection**

#### Skills

**To create a tripod structure to build a mini-den.**  
**To work as part of a team to create a lean to shelter.**

**To use tarpaulin, rope and wooden poles to make a shelter.**

**To use my prior knowledge of knots.**
