

# Geography

The study of people and places - Year 4 Autumn Term

Concept: Diversity

## Review

- Continents and oceans of the world.
- Location of the equator and the tropics.

## What we will learn

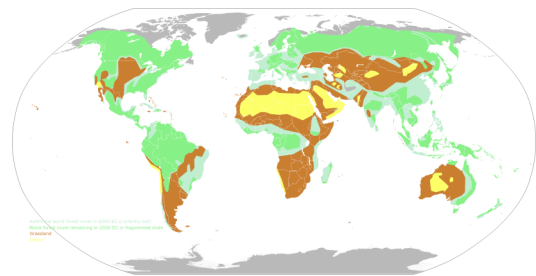

- Know and understand the 5 main vegetation belts of the world– Forest, grassland, tundra, desert and Ice sheet.
- Know the location of vegetation belts around the world.
- Name and describe typical vegetation each belt.

## Enquiry

Is there a pattern between the location of equator and vegetation belts?

## Key Vocabulary

Vegetation belt	An area with distinctive plant types.
Forest	Area covered in tree
